

## GREEN YOUR PURCHASING WITH ECO-BUY

- ECO-Buy provides professional, practical advice and the resources needed to deliver green purchasing in your business.
- We also maintain a comprehensive database of green products that puts choosing green just a few clicks away.
- ECO-Buy offers an award winning 'one-stop-shop' approach to green purchasing that has delivered successful outcomes for a wide range of organisations.

ECO-Buy's approach enables you to integrate green purchasing practices into your business at a pace that is achievable and sustainable.

By joining ECO-Buy you gain access to all the resources and support you need to develop a successful green purchasing programme.

*ECO-Buy gives you a "whole range of options and suggestions and resources and assistance ... it has really been invaluable"*

**Zoran Dimovski**

Business Services Manager, Australian Arrow
