# MELBOURNE'S SOUTH EAST BUSINESS AWARDS

Melbourne's South East (MSE) is a regional economic development alliance of 10 local government authorities (Council's), utility companies, and state and federal government departments.

MSE's mission is to build a collaborative and co-operative approach to economic development in Melbourne's South East which delivers prosperity for the next generation within the framework of the Regional Economic Strategy for Melbourne's South East (2009-2030).

A key initiative of the MSE is the recognition of those businesses that have made a valuable contribution to the MSE economy by acknowledging their success and achievements at the Melbourne's South East Business Awards, Gala Dinner Awards Evening.

This evening will bring together winners from participating Council business award programs and nominated businesses, to be judged for the regional business awards, celebrating "the best of the best".
