

CITY OF WHITEHORSE VISITOR TRANSPORT INFORMATION

Public Transport Information

Public Transport Victoria (PTV) is the one-stop-shop for all the information you need to know about Victoria's public transport services, fares and ticketing. PTV makes train, tram and bus travel easier with their website and journey planner, customer call centre, timetables, pocket guides, mobile phone applications and wayfinding signage.

Bikes and Public Transport

Bikes can be carried free on metropolitan trains. You cannot board at the first door of the first carriage, as this is a priority area for mobility impaired passengers. Folding bikes secured in a bag, can be carried free on trams and buses but must not exceed 82cm long x 69cm high x 39cm wide or have wheel rims of more than 51cm in diameter.

Access & Mobility

Trains - All stations are wheelchair accessible and have audio and visual passenger information systems. If you use a wheelchair, scooter or require assistance boarding, wait at the markers located on the station platforms, where the front of the train will stop and the train driver will assist with a ramp.

Trams - Wheelchair accessible low-floor trams are progressively being introduced. There are many platform stops around the tram network that are accessible by wheelchair. Platform stops include passenger information displays with real-time information.

Buses

Many buses are wheelchair accessible. If you require an accessible bus, please contact the bus service provider and advise your requirements at least a day in advance.

For train, tram & bus information and station & stop profiles visit: ptv.vic.gov.au or call PTV on **1800 800 007 (TTY 9619 2727) 6am – midnight** daily or download the free PTV app.

Taxis

Wheelchair accessible taxis can be booked through:
Silver Top Taxis – **8413 7202**
Yellow Cabs – **9277 3877**
